# A word from....

## John Rawnsley

*Event Organiser*

It is with much pleasure that I welcome you all to the 21st Andrews BMW International 3 Peaks Cyclo-Cross.

To celebrate this special anniversary, we have invited the past 10 winners of the 20 races. Harry Bond, Ian Craig, John North and myself are competing while John Bell, Tom MacDonald, John Atkins, Chris Wilkinson, Barry Davies and Eric Stone have been invited as spectators.

For the second successive year we are delighted that Switzerland are sending a National Team and wish our

visitors an enjoyable stay in England. I hope they enter into the spirit of the race as Peter Hagi, Carlo Lafranchi and Richard Steiner did last year to finish 3rd, 4th and 5th winning the International team award. Last year's winner John North leads our National Team with Philip Webster and National Squad rider Stewart Towers. Competitors have been notified of a ban on training on the 3 Peaks Cyclo-Cross course now and in the future; this has been introduced because of excessive pre-race riding on the course. I expect all competitors to accept

this ban for the future of our event.

The record entry of 243 is made up of 168 Seniors, 37 Juniors, 22 Veterans, 14 Senior Veterans, 1 Grand Veteran and 1 Lady. 126 are competing for the first time.

My grateful thanks to Mr. David Pollard and Mr. Barrie Glover of Andrews Bros. (Bradford) Ltd. for sponsoring the race for the fourth successive year, all land owners and tenant farmers, and everyone who has helped with or contributed to this event.

## Our Sponsors:

We at Andrews Bros. certainly are proud to sponsor the 21st Andrews BMW International Three Peaks Cyclo-Cross.

After the success of the previous years and the kind weather of last year, we are again happy to sponsor this truly incredible event, and to be able to offer our assistance to the Bradford Racing Cycling Club.

We would like to wish every competitor a successful race, the best of luck to the competitors from Switzerland and Canada. Naturally we wish a special 'good luck' to our British team.

It is with pleasure that we accept, as sponsors, our name in the title of the event for the first time and only hope that the event gets the acclaim that it deserves.

Our warmest congratulations to John Rawnsley for the effort and organisation side of the Andrews BMW Three Peaks. Unfortunately, there can only be one winner on the day, but we as sponsors, wish every competitor a memorable day's sport. We hope that all spectators and assistants to the competitors will have an

enjoyable day and we will welcome everyone at our display of new BMW motor cars, and our hospitality unit. To anyone who has not visited this event before, come and see the ULTIMATE DRIVING MACHINE.

We look forward to meeting many of you again and of course many of you for the first time. Riders and spectators alike are all welcome.

Barrie E. Glover  
Sales Director  
Andrews Bros. (Bradford) Ltd.
